This reference was cited in Applicants' September 15, 2008 Second Supplemental Information Disclosure Statement, but the Examiner refused to consider it, apparently because the drawing was not considered self-explanatory. Accordingly, Applicants are providing herewith a concise explanation of the relevance of AT

000 687 as currently understood, the explanation being attached to the copy of the reference submitted herewith.

Because this Third Supplemental Information Disclosure Statement is being filed subsequent to an Office Action, a check in the amount of \$180.00 is enclosed in payment of the fee for filing this Third Supplemental Information Disclosure Statement. Please charge any additional fees or credit any overpayment to our Deposit Account No. 03-2468.

It is respectfully requested that the foregoing Third Supplemental Information Disclosure Statement be incorporated into the official file of the present patent application.

Respectfully submitted,  
Georg SPRINGMANN ET AL
